# A Vision for Attleborough Community Planning Weekend

2 – 7pm, Friday 5 February  
10.30am – 3.30pm, Saturday 6 February 2010

**Attleborough Community Planning Weekend**  
**Friday 5 and Saturday 6 February 2010**  
**at Attleborough Town Hall**

**Report Back 7pm Tuesday 9 February 2010**  
**at Attleborough High School**

## Background

Breckland District Council's Core Strategy identifies Attleborough as a strategic growth location to accommodate in the region of 4500 dwellings and associated development. In accordance with the Core Strategy, Attleborough Land Ltd (part of the Ptarmigan Land Group) is promoting land to the south of the railway line for the majority of this growth.

Breckland District Council will be preparing an Area Action Plan for Attleborough and Snetterton Heath. To help inform that process, Attleborough Land Ltd have commissioned John Thompson and Partners (JTP) to engage residents and stakeholders in an assessment of the issues and opportunities for the site and surrounding area and to create a new Vision for the future.

## Community Planning

Community Planning is a way of engaging with local people to shape the future of their towns and neighbourhoods. The aim of the Community Planning Weekend is to bring together everyone with an interest in Attleborough to produce a shared, practical Vision for its future growth.

## The Community Planning Weekend

At the Community Planning Weekend the community will have the chance to participate in topic workshops and hands-on planning groups to explore local and site specific issues and possible solutions.

People are welcome to pop in for a short while, a few hours or the entire time if they can. Team members will be on hand to explain what's happening.

## Report Back

Following the Community Planning Weekend the design team led by JTP will analyse and summarise the outcomes and develop an illustrated Vision and indicative masterplan. This will be reported back to the community at 7.00pm on Tuesday 9 February at Attleborough High School.

## Programme
