CLEETHORPES RENAISSANCE

Community Planning Weekend

FRIDAY 5TH JUNE 2PM - 7.30PM

SATURDAY 6TH JUNE 10.30AM - 3.30PM

Yorkshire Forward has recently appointed a consultant team, led by John Thompson & Partners, to work with the local community to develop a visionary Charter and Strategic Development Framework for Cleethorpes. This work will seek to fully understand Cleethorpes, past and present, and map out the future direction for the renaissance of the town over the coming years.

'Community Planning' is a way of engaging with local people creatively to help shape the future of their towns and neighbourhoods. The aim of the Weekend is to bring together everyone with an interest in the regeneration of Cleethorpes to produce a practical Vision for the future, and at the same time to work out ways of making this happen. Everyone is invited to participate in the event, which will be very informal. You can stay for the entire two days or just drop in at any time to make your comments - it's up to you. Everyone is welcome!

Identify opportunities for improvement
and change!

Yorkshire Forward's Renaissance Programme was launched in 2001 to ensure that the region's towns and cities are places where people want to work, live and invest in. At the core of the programme is the involvement of local people, councils and other key stakeholders in helping to create a long-term vision for each town.

The Cleethorpes Community Planning Weekend is being organised by John Thompson & Partners as part of Yorkshire Forward's Urban Renaissance Programme and with the support of North East Lincolnshire Council.
