

BOW RIVER VILLAGE

PHASE 02 PLANNING APPLICATION

PUBLIC EXHIBITION

You are invited to a public exhibition of the regeneration proposals for the Phase 02 site at Bow River Village. The exhibition is being organised by John Thompson & Partners on behalf of Southern Housing Group, ahead of the planning application to be submitted in September 2015.

Phase 02 of the development will deliver

- Circa 112 residential homes of mixed tenure
- 1, 2 and 3 bed apartments and duplexes adjacent to the waterfront
- Basement car parking
- Public open space fronting the River Lea

The aim is to create a development that is in compliance with planning policy set out by London Legacy Development Corporation and London Borough of Tower Hamlets.

The exhibition will be open to everybody and will provide an opportunity to view the proposals for the site and leave comments. Members of the design team and client team will be on hand to talk through the proposals and answer questions.

We look forward to seeing you at the exhibition. If you would like any more information please contact Charles Campion, John Thompson & Partners at cc@jtp.co.uk or on 020 7017 1780.
