Come and participate in
planning the future of
Hammersmith Embankment

Don't forget the Report Back

7.30pm Wednesday 8 December
Melcombe Primary School
Colwith Road entrance, London W6 9ER

Everyone is welcome!

Refreshments will be provided

You are invited to the Vision for Hammersmith Embankment Community Planning Weekend on Friday 26 and Saturday 27 November 2010. The Weekend will bring together people with an interest in Hammersmith Embankment to produce a new Vision for its future.

Background

St George has recently purchased the Hammersmith Embankment site (outlined in red overleaf), which has planning permission for an office-led mixed use scheme. Given Hammersmith and Fulham Council's emphasis on the delivery of new homes in the borough, St George intend to bring forward proposals for a residential led mixed use scheme. The aim is to design a riverside development of high quality, which is in keeping with the setting and well integrated with the surrounding area. St George has appointed John Thompson & Partners (JTP) as architects for the scheme and to facilitate the community planning process.

Community Planning

Community Planning is a way of engaging with the local community and partners to shape the future of their towns and neighbourhoods. At the Community Planning Weekend participants will have the chance to take part in topic workshops, walkabouts and hands-on planning groups to explore local and site specific issues and possible solutions. People are welcome to pop in for a short while, a few hours or for one or both days if they can. Team members will be on hand to explain what's happening.

Report Back

Following the Community Planning Weekend the design team, led by JTP, will analyse and summarise the outcomes and develop an illustrated Vision and indicative masterplan which will be reported back to the local community at 7.30pm on Wednesday 8 December at Melcombe Primary School, Colwith Road entrance, London W6 9ER.

Programme

Friday 26 November, Distillery Lane Centre

- 14.00 Welcome and Introduction
