

ASSISTANT URBAN DESIGNER

London Studio

JTP is an award winning, international placemaking practice of architects and masterplanners.

From our studios in London and Edinburgh we undertake placemaking projects at every scale, from cities and towns, to neighbourhoods, streets and the design of individual buildings.

JTP is creating a number of new neighbourhoods at both outline planning and detailed design stages. We are looking for an enthusiastic and talented graduate urban designer who is as excited as we are about the creation of new sustainable places.

The successful candidate will be a confident, proactive and highly organised team player who is eager to learn and develop a career in urban design.

With excellent graphic skills you will be able to visually communicate using a range of medium including CAD, Adobe Creative Suite and hand-drawing. SketchUp is highly desirable.

The ideal candidate will be a recent graduate with ideally a background in architecture. A post graduate qualification in urban design or similar is required.

JTP is passionate about placemaking and people. We place great importance on making our studios collaborative, stimulating and enjoyable places to work with amazingly talented teams who have a lot fun along the way.

Our unique approach and investment in people has received high praise, recognised with over 200 design and people-related awards including being named BD's Best Architectural Employer of the Year 2019, AJ100 Employer of the Year 2019 and Highly Commended 2021, and a Sunday Times 100 Best Medium Company to Work for 2022.

As well as being a great place to work JTP offers fantastic employee benefits including 25 days holiday (plus 3 additional days at Christmas & 8 Bank holidays), 5% contributory pension, private medical, permanent health and death in service insurance, performance related bonus and more.
