

MARTINS YARD BROCKLEY

Pre-Planning Submission Zoom Presentation Wednesday 13 October 2021 at 6pm

REGISTER FOR THE PRESENTATION

Please email community@jtp.co.uk to register your interest for the presentation and we will send you the Zoom meeting link. (You do not need to register if you attended the previous Zoom presentation as we will send the link direct to you.)

The Zoom presentation will be recorded and uploaded to the project web page jtp.co.uk/projects/martinsyard along with a copy of the presentation slides.

BACKGROUND

Elemento Group is pleased to be bringing forward the residential-led, mixed-use redevelopment of Martins Yard that responds sensitively to the Telegraph Hill Conservation Area. The intention is to regenerate this brownfield, urban site with new homes, mixed uses on the ground floor, high quality landscaped spaces and improved pedestrian and cycle links.

Back in April, the Vision for Martins Yard was presented to the community. Since then comments received on the Vision have helped shape the revised proposals which we will present on 13 October. Following the presentation it is anticipated that the proposals will be submitted for planning in late October.
