

Attleborough

Sustainable Urban Extension

Pre-planning Application Exhibition

When: 6 June 2017, 1.00pm to 8.00pm

Where: Attleborough Town Hall, Queen's Square, Attleborough NR17 2AF

You are invited to the Attleborough Sustainable Urban Extension (SUE) Pre-planning Application Exhibition at Attleborough Town Hall.

Breckland District Council's (BDC) Core Strategy and its emerging Local Plan identifies Attleborough as a strategic growth location, with 4,000 new homes and supporting infrastructure, services and facilities to be accommodated in a Strategic Urban Extension (SUE) to the south west of the town.

In accordance with the strategy and the Attleborough Neighbourhood Plan, Attleborough Land Ltd (part of Ptarmigan Land Ltd) is promoting land to the south of the railway to deliver the majority of the SUE.

The Attleborough Land team is preparing an outline planning application for the site which we anticipate will be submitted to Breckland Council later this summer. The Exhibition will be an opportunity to view the proposals and make comments and members of the Attleborough Land team will be on hand to answer questions.

We look forward to seeing you at the Exhibition.

The Attleborough Sustainable Urban Extension Pre-planning Application Exhibition is being organised by JTP, architects and masterplanners, on behalf of Attleborough Land Ltd. If you would like more information, please visit jtp.co.uk, contact community@jtp.co.uk or call Freephone 0800 012 6730.
