

SENIOR ARCHITECT

Edinburgh Studio

JTP is an award winning, international placemaking practice of architects and masterplanners.

From our studios in London and Edinburgh we undertake placemaking projects at every scale, from cities and towns, to neighbourhoods, streets and the design of individual buildings; creating new places and breathing life into old ones.

JTP's Edinburgh studio seeks a senior architect to deliver large scale residential-led projects from planning to technical design. The successful candidate will be able to demonstrate strong people and project management skills as well as experience in a client facing role. Revit experience is highly advantageous.

As a Sunday Times 100 Best Small Company to Work for 2018, JTP prides itself in offering a stimulating and enjoyable place to work with a generous benefits package (including 25 days holiday, bonus scheme and private medical insurance).

If you would like to create great places with us then please send your CV, along with a covering letter and samples of your work to:
