

URBAN DESIGNER

London Studio

JTP is an award winning, international placemaking practice of architects and masterplanners.

From our studios in London and Edinburgh we undertake placemaking projects at every scale, from cities and towns, to neighbourhoods, streets and the design of individual buildings.

We are busy creating urban extensions and new settlements at both outline planning and detailed design stages and are looking to recruit an experienced urban designer who is as excited as we are about the creation of new sustainable places.

The ideal candidate will have 1 – 3 years post qualified experience gained in a design practice working on large scale urban design and masterplanning projects. A background in architecture is highly desirable but not essential. Excellent visual, verbal and written communication skills are important.

Our unique approach and investment in people has received high praise, recognised with over 200 design and people-related awards including being named BD's Best Architectural Employer of the Year 2019, AJ100 Employer of the Year 2019 and Highly Commended 2021, and a Sunday Times 100 Best Medium Company to Work for 2022.

As well as being a great place to work JTP offers fantastic employee benefits including 25 days holiday (plus 3 additional days at Christmas & 8 Bank holidays), 5% contributory pension, private medical, permanent health and death in service insurance, performance related bonus and more.
