A Zoom meeting link will then be provided.

The presentation slides will be available to view from 10am, Thursday 3 September on AlbionWaterside.co.uk.

ALBION WATERSIDE

Joseph Homes is bringing forward a proposal for the residential-led, mixed-use redevelopment of Albion Waterside, Canal Road (site outlined in red above). We are pleased to invite you to the presentation of the Vision for Albion Waterside on Wednesday 2 September. The regeneration proposals for this brownfield, urban site will include new homes, new commercial uses, public space and pedestrian access to the riverside in a previously inaccessible area.

COMMUNITY CONSULTATION

During July and August 2020, the community was asked to send in their ideas for the future of the site and its relationship with the surrounding area. Their views have been analysed and summarised to help prepare a Vision for the site which will be shared with the community on Wednesday 2 September using Zoom. The presentation slides will be available to view from 10am, Thursday 3 September on AlbionWaterside.co.uk.
