

LENTON FLATS

DROP-IN

14th August

Meet the architects and have your say about the redevelopment of Lenton Flats.

Nottingham City Homes (NCH) has appointed architects **John Thompson & Partners** to work with residents on re-planning the Lenton Flats site and designing the new homes. The process of decommissioning flats and garages prior to demolition has already begun in preparation for the first phase of re-building.

The site redevelopment will provide a mix of apartments and bungalows for over 50's as well as family houses.

Come along and meet the architects and landscape designers who will be designing the new homes and streets.

Thomas Helwys Baptist Church, Church Street,
Lenton, Nottingham NG7 1SJ

**Drop in at any time
between 3.00pm – 7.30pm**

A short introductory talk will be given at 3.15pm
and repeated at 6.30pm

All residents welcome

The Drop-In is being organised by John Thompson & Partners, Architects, Urban designers and Community Planners on behalf of Nottingham City Council, Nottingham City Homes and Dunkirk & Lenton Partnership Forum.

LENTON FLATS

DROP-IN 14th August

This is a great opportunity to create a high quality neighbourhood that really meets the needs of the community.

How should new streets be designed?

How big should the 1,2 and 3 bedroom homes be?

How can design encourage neighbourliness and community spirit?

What are your views on the design of open space?

Where will people park their cars?

Representatives from **Nottingham City Homes** and the **Dunkirk & Lenton Partnership Forum** will be on hand to answer your questions about the redevelopment process.

Next Steps

Over the summer the architects will draw up initial ideas for new homes on the Lenton Flats site. These will be exhibited at Thomas Helwys Baptist Church on **21 and 22 of September** when you will have a further opportunity to give your views on the proposals.
