Shaping the future of Blackbird Leys

Come to our Community Planning Days
Tell us your views!

Oxford City Council are working with Catalyst to develop the District Centre and land at Knights Road. The development will deliver at least 250 new homes, including homes for social rent and shared ownership, as well as improved shops, community and public spaces.

Join us and our architects, JTP, to find out more and get involved in hands-on planning. Through walkabouts, group brainstorms and planning exercises, your ideas will help to shape the future of the proposals.
