

CREATE BOULEVARDS HOLLOWAY ROAD COMMUNITY CHARRETTE

SATURDAY 20 MAY 2017

Create Boulevards Holloway Road Community Charrette

When: Saturday 20 May 2017, 10.45am - 3.30pm

Venue: Resource for London, 356 Holloway Road, London N7 6PA

You are invited to the Create Boulevards Holloway Road Community Charrette.

Create Boulevards is a campaign to promote the beautification and intensification of London's arterial roads with community and stakeholder involvement at its heart.

The Holloway Road Charrette will focus on the section between the Odeon and Holloway Road tube station. The one day event will be an opportunity to share local knowledge and participate in workshops,

walkabouts and hands-on planning groups to discuss key issues and help shape a Vision for Holloway Road. The resulting Vision for Holloway Road will be displayed as part of the Create Boulevards exhibition at London Festival of Architecture in June to show off the potential of London's arterial roads to become beautified, lived-in and loved places.

Participation at the Holloway Road Charrette is by invitation. If you would like to attend please register with Kieran Toms, Create Streets at kieran@createstreets.com.
