

# KENDAL VISION

We would be grateful to receive all your comments and ideas for Kendal.

We will be exploring the **Problems** or issues you and others have identified, which need to be addressed to improve living in, working in and visiting Kendal.

Please put forward your **Dreams** for Kendal, where you can imagine what would be amazing and positive for the town.

Finally, any **Solutions** you have that can contribute to realising these dreams.

<p><b>Problems:</b></p> <p>Please write down any problems that you feel need addressing, which would make Kendal better.</p> <p>These can be in your local area, particular to you, or more generally. They may include things you have perceived to affect others.</p>	
<p><b>Dreams:</b></p> <p>Please write down the things that would make Kendal amazing and the place you want Kendal to be in the future.</p> <p>These might include things that could be done, or just things you would like to do or see in the town.</p>	
<p><b>Solutions:</b></p> <p>Please write down any ideas on how the above problems could be addressed or dreams could be realised.</p> <p>What do you think is the top priority to change in Kendal? Is there anything that could be addressed now?</p>	
<p><b>Any Other Comments:</b></p> <p>All comments are welcomed.</p>
