In 2013 JTP, architects and community planners, were appointed by the Harrison Trust to work with the local community to create a new Vision for Medina Yard. The resulting Vision incorporated a viable mix of uses to support a sustainable range of active business, marine and leisure uses and a variety of new homes.

Following the creation of the Vision, the team have been working to develop the proposals and draw up a planning application for the regeneration of the site, for submission to the Isle of Wight Council in April 2015.

EVERYONE IS WELCOME!
