Medina Yard

COMMUNITY FORUM

6.00pm - 8.00pm, Thursday 18 September 2014

Cowes Methodist Church,
Birmingham Road, Cowes PO31 7BH

You are invited to the Medina Yard Community Forum from 6.00pm – 8.00pm on Thursday 18th September at Cowes Methodist Church. The Forum will be an opportunity to hear a project update and discuss the emerging proposals for the site.

Last year John Thompson & Partners, architects and community planners, appointed by the Harrison Trust, worked with the local community to create a new Vision for the site, incorporating a viable mix of uses to support a range of active business, marine and leisure related uses and a variety of residential accommodation.

Following the creation of the Vision, the team are now working to develop the proposals and draw up a planning application for the redevelopment of the site, for submission to the Isle of Wight Council.

EVERYONE IS WELCOME!
