

## Junior Graphic Designer

London Studio

JTP is an award winning placemaking practice of architects and masterplanners.

From our studios in London and Bristol we undertake placemaking projects at every scale, from cities and towns, to neighbourhoods, streets and the design of individual buildings; creating new places and breathing life into old ones.

We are looking for a talented and enthusiastic Junior Graphic Designer to join our in-house graphics team. This is an exciting opportunity for a recent graduate or someone seeking their first role and looking to develop their skills in a creative environment.

In this role, you will work closely with our architecture and urban designer teams, creating visually compelling documentation and providing graphic design support. You will be responsible for producing high quality reports, including information graphics, project branding and complex urban design analysis to tight deadlines.

You will also have the opportunity to design visually engaging content for social media platforms, including Instagram, LinkedIn, Facebook, and TikTok. This includes creating storyboards, editing short-form videos and reels, and curating cohesive social media feeds. You'll contribute to creating graphics, animations, and video content, ensuring alignment with the Practice's mission and values. Staying updated on design and social media trends will be key to keeping our brand fresh and competitive.

Candidates must be creative, highly motivated and detail-orientated, with proven ability to work both independently and collaboratively.

Enthusiasm for and experience of design for print including reports, brochures and exhibitions is advantageous.

Strong knowledge of Adobe Creative Suite (in particular Indesign) is essential. Experience of Premier Pro, After Effects and Cap/Cut is highly desirable.

An interest in architecture and the built environment is distinctly advantageous.

JTP is passionate about placemaking and people. We place great importance on making our studios collaborative, stimulating and enjoyable places to work with amazingly talented teams who have a lot of fun along the way.

Our unique approach and investment in people has received high praise, recognised with over 200 design and people-related awards including being named AJ100 Employer of the Year 2019 and Highly Commended 2021, and a Sunday Times 100 Best Medium Company to Work for 2021 and Best Companies Two Star 'Outstanding' Accreditation in 2024.

In return for your enthusiasm and dedication we can offer you a great place to work, competitive salary, 25 days holiday (plus 3 additional days at Christmas), performance related bonus and other benefits.
