

## **ARCHITECTS**

### **London Studio**

JTP is an award winning, international placemaking practice of architects and masterplanners.

From our studios in London and Bristol we undertake placemaking projects at every scale, from cities and towns, to neighbourhoods, streets and the design of individual buildings.

We are creating a number of new urban quarters and new neighbourhoods at both outline planning and detailed design stages and are looking for enthusiastic and talented Architects to join our London team.

The ideal candidate will have experience in the design and delivery of successful planning applications for large scale UK residential-led projects. Excellent design and graphic communication skills are essential. Experience of Revit would be highly advantageous.

JTP is passionate about placemaking and people. We place great importance on making our studios collaborative, stimulating and enjoyable places to work with amazingly talented teams who have a lot of fun along the way.

Our unique approach and investment in people has received high praise, recognised with over 200 design and people-related awards including being named AJ100 Employer of the Year 2019, Highly Commended 2021 and Finalist in 2024, a Sunday Times 100 Best Medium Company to Work for 2021, Best Companies Two Star 'Outstanding' Accreditation in 2024 and shortlisted for BD Architect Employer of the Year 2025.

In return for your enthusiasm and dedication we can offer you a great place to work, competitive salary, a shared learning environment, 25 days holiday (plus 3 additional days at Christmas), private medical insurance including 50% off gym membership and other benefits.
