

URBAN DESIGNER

London Studio

JTP is an award winning placemaking practice of architects and masterplanners.

From our studios in London and Bristol we undertake placemaking projects at every scale, from cities and towns, to neighbourhoods, streets and the design of individual buildings.

Our London Studio is seeking a talented and motivated Urban Designer to contribute to a number of exciting and high profile visioning and masterplanning projects for new towns, neighbourhoods and garden communities within the UK.

With a passion for collaboration and the creation of sustainable and biodiverse places, the ideal candidate will have solid, demonstrable experience of working on large scale urban design and masterplanning projects across a range of residential densities, and will be familiar with the progression of projects from vision development and masterplanning through to the preparation of design codes, regulatory plans and detailed neighbourhood layouts.

The successful candidate will be a confident and proactive urban designer with a proven ability to play a meaningful role within project teams and in building positive relationships with clients, consultants and local communities.

The ideal candidate will have excellent written, verbal and graphic communication and be proficient in the use of Adobe Creative Suite, SketchUp, CAD and hand-drawing.

A post graduate qualification in urban design is essential for this role and a background in architecture is advantageous.

JTP is passionate about placemaking and people. We place great importance on making our studios collaborative, stimulating and enjoyable places to work with amazingly talented teams who have a lot fun along the way.

Our unique approach and investment in people has received high praise, recognised with over 200 design and people-related awards including being named AJ100 Employer of the Year 2019 and Finalist 2024, BD Architect of the Year Awards Employer of the Year Finalist 2024 and Highly Commended 2025, and Best Companies Two Star 'Outstanding' Accreditation 2024.

In return for your enthusiasm and dedication we can offer you a great place to work, competitive salary, a shared learning environment, 25 days holiday (plus 3 additional days at Christmas), private medical insurance including 50% off gym membership and other benefits.
